

Sailing November 22

There had been some rain and a bit of wind in the morning but it turned out to be quite a nice breeze though it trailed away to almost nothing by the end of sailing. It was cold but at least the rain stayed away.

With 8 members the race committee decided that it would be a 'Special Prize' day as had been done last year. Geoff outlined this by saying that if one came 5th and 5 was drawn then they would get the prize.

The races were sailed in the format of a series day with alternating fleet and handicap starts. Bruce had the best race results with 2 wins and 3 seconds. All other scores were quite close being spread from 18 to 24. Geoff, Terry, Kevin and I had one win each.

1	Bruce Watson	8
2	Geoff McGill	18
3	Neil Purcel	20
4	Kevin Webb	21
5=	Richard Plinston	23
5=	Terry O'Neil	23
5=	Peter Andrews	23
8	John Dowler	24

To avoid any potential problems Terry and Peter were assigned 6 and 7 for the draw.

It was fortunate that was done because Bruce drew number 5. And so I handed the Special Prize to Bruce so that he could present it to me.

Steve recorded the results for us and was pressed into sailing the club boat in a friendly.
