

Sailing 11 December:

Summer Series 4

It was drizzling and it was cold, but there was some wind. Sometimes there wasn't much but generally it was OK.

With the southerly there were areas of dead wind so the course was set well area form the shores and away from the sheltering bush.

In the first race Kevin Webb rushed into an early lead and seemed to continue increasing the large gap back to the rest. He also won the third race after fighting his way through a leading group.

Kevin's score of 11 for the day was to score and also put him in the lead for the series, pushing Neil back to 2nd.

Terry O'neil had won race 2.

In race 4 Ian and Carol Bergquist took an early lead and held this right to the finish taking 1st and 2nd respectively.

Bruce won race 5. John McCaulay won the divisional race again this week after featuring in last weeks report for doing so.

Gary Irwin had the 2nd high score for the day with 17 and Daniel Bush was 3rd with a score of 20.

Ian and Carol taking 1st and 2nd

As mentioned Kevin takes the series lead and Neil is 2nd with Geoff McGill in 3rd. This is with 3 results counting and two discarded. There are two race days to go, in January, so there is still time for several to improve their position.

Divisional Series

Last week had Neil leading A division while four others had equal score for 2nd place. This week there are 3 with equal top score: Neil, Kevin and Gary.

Ivan leads B division and Ian leads C.
