## Divisional changes

There are two divisional series each year, the first based on the Summer and Autumn series and the second on Winter and Spring series. The members in each division are reviewed after each divisional series.

The ratings of the members is based on the scratch race results over the two seasonal series. The rightmost two columns in the table are the sum of all scratch races sailed and the number of races, discarding refs. The leftmost column is the average score. This is followed by the current division and the sail number.

Separation of the table is made at arbitrary points reflecting the rating and attendance.

The changes this time will be: Neil Purcell (6) and Dan Leahy (14) will move to B division.
