

28 February 2021

Sailing and Level 3 lockdown.

Level 3 is again in force for the next 7 days. Under Level 3 travel is restricted to being only within the local area and only for work or school or going to the supermarket. Gatherings are limited to 10 people and only for weddings or funerals.

This means that organized racing of the Spring Series at Onepoto is cancelled while Level 3 is in force.

Previously under lockdown we returned to casual sailing under Level 2 and to competitive racing when the restrictions on group size was relaxed.
