

SEAWIND FOR SALE

Seawind Number 40

Geoff Atkinson is downsizing in preparation for moving further away from Auckland and has donated one of his Seawinds to the club to be used as a club boat or to be sold.

Geoff sailed with the club for several years some years ago and made the chart board, the timer and Toot the tug.

Seawind 40 has been kept in pristine condition inside and out and has new sails.

It is painted white with mid-grey topsides and dark-grey fore and side decks.

It is complete and ready to sail with Flysky FS-CT6B 2.4GHz transmitter with Eneloop rechargeable batteries, Flysky receiver in waterproof cover and 5 cell rechargeable boat battery.

This boat deserves a premium price. \$450.00
