2021 ANNUAL PRIZE GIVING

January 16 2022

Normally the annual prize giving is part of the Annual General Meeting held after the end of the club year, usually at the end of October.

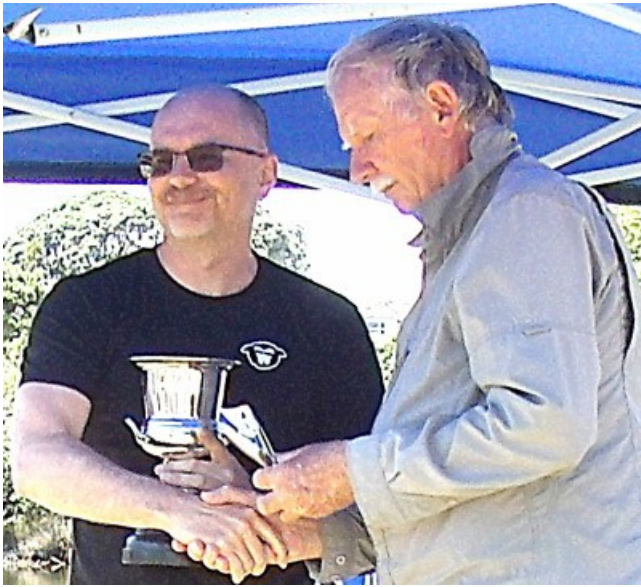

Last year the AGM was cancelled due to Covid19 lockdown preventing meetings being held. The AGM was minuted with reports being included in the November 2021 'Upwind' newsletter.

The prize giving was further delayed, beyond the lockdown allowing meetings, because the cups and trophies had to be collected and then engraved.

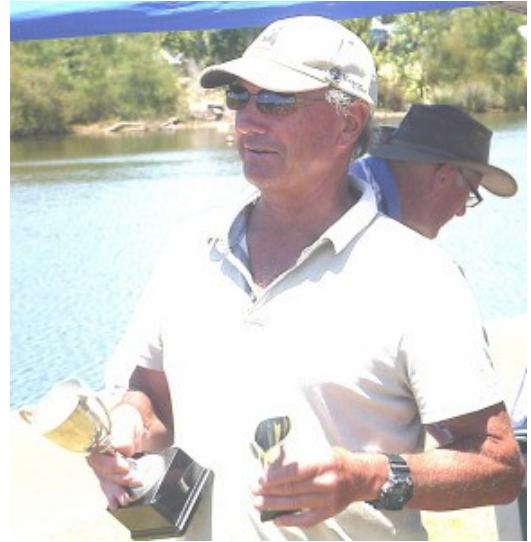

The prize giving was finally held at Onepoto Domain Lagoon on 16th January 2022 starting at 1pm prior to continuing racing in the Summer series. Wayne Carkeek provided a gazebo.

Bruce Watson (right) presented the cups and trophies assisted by John Macaulay (left).
