Aggregate Match Race Series FINAL

I wasn't able to go to the pond today. Laurie Glover collected the chart board and the bag and delivered it back.

Laurie reported that it was a really nice sunny day with a great sailing breeze. Twelve members turned out for the racing.

Rick Royden and **Bruce Watson** won all four of their races today.

Aggregate Series Results:

1	Rick Royden	47
2	Neil Purcell	41
3	Chris Yates	40

Annual General Meeting and Prize Giving

The club year ends at the end of September each year. Normally the club then has its AGM and Prize Giving in late October or early November given that there has been sufficient time for the cups and trophies to be engraved.

This year the clubrooms will be unavailable due to maintenance being done. As happened a couple of years ago, we will have the AGM requirements done by email and the Prize Giving will be held separately. Currently we have the clubroom booked for December 3. If the clubroom is still not available we may have this outside as has been done for the 2021 year.

To start this off please send any proposals to be discussed to Mike at Mike@merel.co.nz
