Prize Giving

The prize giving is scheduled for **December 3 at 1pm**.

This is the earliest date that we can book the clubroom following its current maintenance. If the maintenance is not completed by that date then we could re-schedule or we could do the prize giving outside as we did in January 2022.

In either case the members need to turn up early, certainly **before 1pm**.

New Club Year Start Events

The **Aggregate Match Race Series** starts on November 5.

This series will be competed for over nine sailing days, usually the first Sunday of the month. The results for each competitor of six of their best days will accumulate to the final results.

The **Summer Series** starts on November 12.

The series will be competed for over seven racing days, four of which will be counted for each member to give a final score for the series.

Richard Plinston, President NZRYS
