

NZ Radio Yacht Squadron 2024

2023-2024 Schedule

Seasonal Series

The four seasonal series are each run over seven weekends. Each competitor's total score will count the best four of those seven days.

Each race day will be six races: 2 scratch races and 4 handicap races. Races 1, 3, 5 will use individual handicaps with the final race using divisional handicaps.

Each competitor can drop their worst race result to count their best five. If the race day is shortened due to high winds or lack of wind or other then the day's results can be counted if at least four races were sailed. The results are scaled upwards after dropping one race by 5/3 or 5/4 if four or five races were completed.

If a Lay Day is available after the end of the series then this can be used to replace a cancelled day.

Handicaps

Performance handicaps are recalculated each competition day based on the results of the two scratch races. A division can only have handicaps in the range **0-30** seconds while B division can be **0-50** seconds and C division **0-70** seconds.

The change at each recalculation will be only 10 seconds, while 10 seconds can be lost immediately it take two weeks to gain 10 seconds, this being indicated by a plus sign when the next gain may result in change.

Aggregate Match Racing Series

The rules of the series and the start procedures for match racing are in the Upwind Newsletter of March 2008 and this can be downloaded from the web site at <http://Azonic.co.nz/NZRYS>.

Donations

On club racing days, but not holiday weekend fun days, the jar is on the table for competitors' \$1.00 entry fee donation.

Regattas

Two Regattas are scheduled for Anniversary Weekend and at the end of the club year. These are currently covered by separate rules available on the web site. These may change prior to the event.
