

NZRYs - THE HOME OF UNMODIFIED RADIO YACHTS

Kyosho Seawinds – Tamiya Yamahas – Fairwinds
Whitbread 60s - One Class Designs
Onepoto Domain lagoon, North Shore. Sunday Afternoon

Seawind Specifications

Length: 39.3 in (1000 mm)
Beam: 8.9 in (225 mm)
Sail Area: 605 sq in (39 dm²)
Mast Height: 73.6 in (1870 mm)
Total Weight: 6.6 lbs (3000g)
Manufacture: KYOSHO
Part Number: KYOB1001
Radio: 2-channel, rudder and sail.

KYOSHO SEAWIND.

Most members sail Seawinds and, as it is required that these be unmodified, this gives close competitive racing that is inexpensive compared to open classes.

Additional information can be found at:

<http://Azonic.co.nz/NZRYs/>

The pond is 0.7 hectare, 130 metres long.

Onepoto Domain is off Sylvan Ave in Northcote. From south go over the Harbour Bridge and take the Onewa Road turnoff then directly ahead into Sylvan Ave.

Racing: The NZRYs sails every Sunday afternoon at the Onepoto pond. Racing starts at 2pm until 4pm. There are 4 main fleet racing series each year and two match racing series. Holiday and family weekends are non-competitive fun days. The Club boat may be available for trial sail.
