

## Sailing 9 November

My grandson Cole's 2nd Birthday. He's currently in the south of France.

### Spring Series Final.

10 members only for the final day of the series with all the places up for grabs. It was blustery but with the wind and a bit of overcast keeping the water a bit cooler than last week the weed was not a problem. There was a few places where it could be seen, but these were fixed and avoidable.

John found the conditions much more to his liking with two race wins and enough good placing to be best of the day with 11 points. Bruce with one win and seconds and thirds also had 11 points. Geoff McGill with one win was just one point behind on 12 points for the 5 best races. Neil was close behind with one win and 15 points. Terry O'Neil won the final race in fine style by getting out in front and staying there.

Terry won the final race

The referees were Peter, taking the first race yet again so he could learn the course, John, Neil, Geoff, Kevin and Bruce. They did a good job in the conditions, taking a lenient view where the wind gusts made control difficult.

Overall in the series Geoff held his lead and improved his score with a good result in this final day. Bruce with a top (equal) day score jumped into 2nd place while Kevin Webb held on for third place.

Geoff McGill (a few weeks ago)

### Spring Series Results

1st	Geoff McGill
2nd	Bruce Watson
3rd	Kevin Webb

Congratulations to those, and to all who sailed to make it a successful series.

### Other items:

Terry and Ruth sent an EMail:

I am hoping you found a green thermos flask that I left behind a seat at yachting. I did the usual thing and just put it down for a minute and, when I found Geoff/Jeff's golf pin, I forgot it.

I am pleased to see that Geoff has recovered his pin. Did anyone who sailed on after the racing pick up the flask ? Please contact Ruth direct.

### Next Week.

This ends the series racing for the year. The AGM is scheduled for November 30th which will be a fun day sailing before we move to the meeting.

Next Year's racing is scheduled to start on December 7 with the first day of the new Aggregate Match Racing Series, but this is to be ratified (or not) at the AGM. The other days for the rest of this calendar year are scheduled as 'Special Prize Fleet Racing'.

At the AGM we will be discussing proposals to make next year as good as the one just completed so send in your ideas and discuss them at the upcoming AGM.
