

Jack and Jill Motor Camp

For a few years we went to the Jack and Jill Motor Camp at Jack's Bay in the Bay of Islands around Christmas and New Year. The trailer was loaded up with a double mattress and a frame to take a canvas cover, a frame tent and, sometimes, the 10 foot 6 dinghy. The Morris Traveller then towed this north.

Jack and Jill Motor Camp

We were able to be in the annex amongst the tea tree.

The exclusive annex.
